

Recap of GBCY

Today, at the GBCY International Investment Conference 2025, industry experts gathered to discuss Cyprus' growing role as a leading jurisdiction for financial services. The event highlighted the country's well-regulated framework for:

Cyprus Investment Firms (CIFs)
Crypto Asset Services Providers (CASPs)
Alternative Investment Funds (AIFs) & Management Companies
UCITS & Management Companies

The insights shared at today's GBCY International Investment Conference reinforced the exciting opportunities Cyprus offers for businesses and investors. Whether you're launching a new venture or navigating evolving regulatory requirements, we are here to help!
