

## PRESS RELEASE

### **The Aspen Trust Group Wins Trust Company of the Year – Cyprus 2026 at the Citywealth IFC Awards in London**

The Aspen Trust Group is proud to announce that we, as one of the prominent Cyprus trust companies and providers of corporate services, has been awarded Trust Company of the Year – Cyprus 2026 GOLD category at the prestigious Citywealth International Financial Centre (IFC) Awards, held in London.

This award recognises Aspen's excellence in trustee, fiduciary, and corporate services in Cyprus, covering trust administration, Cyprus company formation, and international structuring for ultra-high-net-worth (UHNW) clients, international families, entrepreneurs, and multinational groups. The recognition highlights Aspen's ability to provide globally informed, client-focused wealth management solutions across multiple jurisdictions.

The Citywealth IFC Awards celebrate the world's leading advisors and managers in international financial centres (IFCs), recognising innovation, governance, compliance, and exceptional client service in the private wealth sector.

Commenting on the achievement, Aspen expressed its gratitude to Citywealth and its appreciation to CEO Ms. Marina Zevedeou for her strong leadership and strategic vision. The Group also acknowledged its dedicated team for reinforcing Cyprus's reputation as a trusted hub for international trust services, company formation, and wealth management solutions.

This recognition further confirms Aspen's position as a trusted partner for UHNW clients and international investors, offering bespoke trust, fiduciary, and corporate solutions while maintaining the highest standards of regulatory compliance and governance.

#### **About The Aspen Trust Group**

The Aspen Trust Group is a Cyprus-based international trust and corporate services provider, specialising in Cyprus company formation, trustee and fiduciary services, and cross-border wealth structuring. The Group is recognised for delivering tailored, client-focused solutions, regulatory expertise, and strong governance for international and UHNW clients.
