

GEORGE CONSTANT

Partner – SPECTOR CONSTANT & WILLIAMS

George has built a strong reputation over the past 15 years in the real estate and investment sector, having advised on numerous high-value and widely publicised transactions on behalf of his clients. He has developed his team, enabling them to respond effectively to the demands and expectations of a sophisticated client base. Adopting modern working practices, the team operates in close collaboration, delivering work efficiently, commercially, and with a high degree of responsiveness.

He also has extensive experience acting for banks and other lending institutions in secured lending transactions. Over the past seven to eight years, George has served as one of the principal solicitors for several well-known commercial banks. In this area, he and his team apply the same commercial, solutions-driven, and modern approach that they utilise in investment transactions — a methodology that is relatively uncommon within the wider market.

In addition, George and his team have developed particular expertise in Islamic finance, acting for a number of financial institutions offering Sharia-compliant financing products.

His client portfolio includes a broad range of businesses within the hospitality and leisure sector, advising restaurant and bar operators, nightclub operators, as well as hotel owners and operators.
