

Zela Aviation and Sitia, Crete Airport 3rd Year of Strategic Partnership continuing for 2025

Sitia, Crete — January 2025 — Zela Aviation, a leading player in the aviation industry, is proud to announce that its successful strategic partnership with Sitia Crete Airport will continue into 2025, marking the third consecutive year of collaboration. This ongoing partnership aims to further develop the domestic traffic airport's operations and solidify Sitia as a key gateway to the region of Lasithi.

Since the partnership began in 2022, Zela Aviation and Sitia Crete Airport have worked together to boost passenger traffic, promote eastern Crete's tourism potential, and establish the airport as a vital entry point for international visitors and now Zela Aviation in 2025 will focus more on the Domestic Traffic.

Sitia Crete, renowned for its pristine landscapes, the iconic Vai Palm Forest, and proximity to tourist hubs such as Agios Nikolaos and Elounda, continues to attract visitors seeking a unique blend of natural beauty, culture, and warm hospitality.

Sitia Airport, located in the eastern part of the island, features a modern terminal and robust facilities capable of handling increased passenger traffic. With a runway length of 2,040 meters and the capacity to serve 900 passengers per hour, it is well-equipped to accommodate further growth.

Andreas Christodoulides, Chairman of Zela Aviation, added: "We are delighted to continue collaboration and supporting to Sitia Crete Airport and establish Sitia as a prominent destination on the map within Greece for domestic travel."

The third year of this partnership reinforces both parties' commitment to enhancing visibility, driving tourism, and building sustainable growth for the airport and the surrounding region.

Zela Aviation since establishment in 2006 has been active in the field of aircraft wet / dry leasing, chartering and aircraft sales maintaining offices in Cyprus, Greece and the United Kingdom. Zela Aviation has and remain to provide a range of services for its clients located in Europe, Asia, Africa, North and South America. Its leading position, track records throughout the years, and complimented by its very well – trained staff, make Zela Aviation a solid and reliable partner worldwide.
