
OSP Group
Your Construction Recruitment Specialist

- At OSP Group we seek to give our clients a unique, competitive business advantage by handling their recruitment requirements in a timely, efficient and cost-effective manner.
- We understand that the construction industry is ever changing and that a personal service is what is needed to deliver the best solution to our Clients needs. We have the ability to source unmatched skilled workers who will benefit your projects. We constantly strive towards exceeding our Clients expectations.
- “We take great care and pride in our capacity to locate the right person with the right skills at the right time.”

Proven OSP experience

OSP have sourced specialist M&E operatives on some of the UK's most prestigious and complex sites. Our specialist knowledge and ability to access skilled and experienced tradesman has given us the opportunity to work on the following projects.

- **Completed Projects:**
- **Tottenham Hotspur Stadium - London**
- **The Ned Hotel - London**
- **Harcourt House London**
- **Current projects include:**
- **The old War Office - London**
- **Amsterdam Data Centre**

What Clients Say

“We have been using OSP Group services since June 2014. They provide us with both trades people and management staff. OSP Group has demonstrated they understand the M&E market and have delivered key personnel to our flagship project in London. I have found OSP to be attentive to our requests for additional labour resources and more importantly delivered the results we required.”
