

# George M. Ioannides

## Co-Founder & CEO at GEMM

As the Co-founder and CEO of GEMM Business Consultants Limited in Cyprus and GEMM GCC Ltd in Abu Dhabi, UAE, I bring over two decades of expertise in strategic advisory, corporate governance, and capital raising across global markets. My mission is simple: to empower businesses—from early-stage startups to established enterprises—to achieve sustainable growth through smart capital, sound structure, and forward-thinking strategy.

At GEMM, we blend deep industry insight with an entrepreneurial mindset. Our GEMM Group provides tailored consulting in venture capital, private equity, ESG integration, and financial structuring. We work closely with founders, corporate leaders, investors, and government stakeholders to unlock opportunities and drive measurable impact.

By combining AI-augmented-driven technology with human-driven advisory excellence, we enable our clients to stay ahead in a fast-evolving regulatory and investment landscape.

■ Author of *Startup Capital* – a practical guide to navigating VC, PE, and angel funding (available via [gemmcy.com](https://gemmcy.com), Amazon, and major platforms).

■ Developer and architect of GEMM.AI Financial Intelligence, Startup Capital Suite App and VentureLink, our professional network platform for founders, investors and advisors.
