

## Nicholas Charles

### Founder of DANTI GLOBAL LTD

**Nicholas Charles FCCA** is a globally recognized expert in generational wealth, bestselling author, property investor, and tax advisor. His books, *The Four Fundamentals of Family Prosperity* and *Generational Wealth*, both reached No. 1 on Amazon, cementing his authority in the field.

With over 20 years of experience, Nicholas has advised Ultra High Net Worth families on wealth preservation, tax strategy, and asset protection. He has built an elite global network of private banks, fiduciaries, lawyers, tax specialists, and business strategists, helping families navigate the complexities of multi-generational wealth.

His expertise is both professional and personal—his own family’s wealth was lost within a generation, driving his mission to help others secure their legacy. To scale his impact, he founded Danti, a cutting-edge operating system that digitizes and safeguards generational wealth.

Nicholas is also a sought-after speaker and has shared his insights at leading global events, including Prestel & Partner, Nasscom, Jersey Finance, and Startup Xchange, shaping the conversation on the future of family wealth.

Nicholas fully appreciates the value of education in helping families secure generational wealth and is currently writing his third book called *The Ten Pillars of Generational Wealth*.
