

Relocating to Cyprus? When is the best time to sell your UK assets?

Cyprus offers an extremely favourable capital gains tax regime – only gains made on the sale of local real estate are taxed. Living in Cyprus is the perfect opportunity to dispose of UK assets, including company shareholdings if you are selling a business, as the gains will be tax free here.

There are other benefits to being tax resident in Cyprus: no local inheritance tax, no wealth tax, potentially no tax on investment income for 17 years, plus beneficial taxation of foreign pension income. Contact our Paphos office for advice on making the most of Cyprus' tax regime.
