Affiliate and Partner Programs

Multi-Currency IBANs

We are here to simplify your banking needs. Our primary focus is to be your trusted partner when it comes to opening bank accounts, ensuring a hassle-free experience.

- Bankd is partnered with over 15 different financial institutions allowing us to service almost all industries, from a low-risk fruit and veg exporter in the UK, to an offshore licensed casino - and everything in-between.
- Named accounts allow you to send and receive in over 30 currencies without the complication of accounts across multiple banks. Depending on your region, we can also offer local accounts in several jurisdictions.
- We pride ourselves on ensuring all your needs are covered. This is why our accounts can support B2B, B2C and C2B flows, whilst also diversifying between operational accounts and separate client fund accounts to ensure you are complying with your respective regulator.

Payment Methods

Bankd can connect you with a multitude of payment solutions depending on your needs. Across our suite of partners we can connect you to all UK & European payment rails including Faster Payments, SEPA, BACS, CHAPS and SWIFT.

Bankd also have the ability to assist with mass payouts. If you are executing your monthly payroll run by bulk upload or paying out winnings to consumers via open-ended API, you will have full coverage for mass payouts with market-leading technical proficiencies.

Our developers are on hand to ensure easy integration and bespoke products to create and input flexible APIs to meet the rigours and demands of your businesses unique requirements.

Payment Processing

Through Bankd's network of carefully selected partners we can provide you with credit card processing and acquiring solutions globally.

Whether your business is a high-risk online casino or a low risk retailer, Bankd will be able to assist with payment collections globally.

Integrate seamlessly into one of our payment platforms that provides clients with all they need to cater for multi-channel and multi-currency payment options through a single interface.

Speak to our specialised partner who host 40 acquiring partners and over 240+ payment options to over 1200 merchants in over 25 countries across the globe.

Instant FX Conversions

Through our partners, Bankd provides access to market-leading FX rates thanks to our live FX platform, accessible across the globe and available 24 hours.

Our dedicated dealing team collectively have over 30 years of experience within the industry and are on hand to ensure a smooth process from start to finish and allow your business to operate both locally and globally.

Benefit from a host of trading tools including, spot contracts, forwards & hedging facilities. We work closely with our clients to craft tailored strategies to ensure flexibility and security against risk, unlike traditional banks.

Cryptocurrency

Send, receive, convert, and collect (C2B) in all major cryptocurrencies with Bankd. Effortlessly access the exciting world of digital currency and discover the convenience, speed, and innovation that comes with embracing these cutting-edge financial technologies.

USDT, USDC, BTC, ETH and more are available via our carefully selected, regulated partners and our clients have full control over their requirements.

Our partners not only equip clients with crypto access but enable a user-friendly environment where both FIAT and crypto monies are accessed in the same platform creating an all-in-one financial centre.

Access extremely competitive pricing via the Bankd solution.

Local Payouts and Remittance

Pay to specific locations globally with ease thanks to local settlement methods including Faster Payments, ACH, and many more.

With a network of global correspondents, we are not limited to major markets, instead possessing the ability to settle locally in Asia, Africa, and Latin America, unifying the continents for our clients.

Processing payments in illiquid markets is made seamless with a variety of routing methods at your disposal, including using a stablecoin bridge for speedy settlement times. We will guide you throughout the process so that the complex becomes simple.

Bankd cover over 150 countries to ensure international jurisdictions are accessible for all businesses.

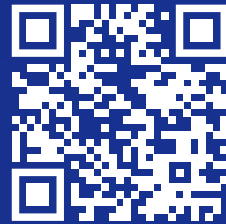

Partner with us today

Partner with us today to enhance your businesses offering and ensure your clients are fully catered for financially.

Bankd understand how integral mutual relationships are for any business to succeed, especially those within the CSP sector. That is why we aspire to support your clients with the upmost care and professionalism ensuring reputations are never at risk.

An affiliate program with attractive commissions is available, with agreements in place to ensure longevity and sustainability for both partners and clients alike.

“Our clients do not fear what is in front of them, as they know who is behind them.”
