

Athena Watson

Director

Noula Wealth Consultancy Limited

St. James's Place Wealth Management

Athena is a highly experienced, and Chartered qualified wealth management and investment professional with over 30 years experience in International Private Banking and Wealth Management with Barclays Wealth and UBS - assisting High Net Worth, Ultra High Net Worth and UK Resident non Domiciled individuals.

She established Noula Wealth Consultancy Ltd 10 years ago and provides Financial Planning expertise to UK based clients. Although British born, she is passionate about her Greek heritage, and has been fortunate enough to cover the Greek and the Cypriot markets in her private banking days, understanding the Greek culture, and being fluent in the Greek language. She continues to look after Greek and Cypriot origin clients based in the UK.

She provides guidance and advice to individuals and businesses. Her knowledge spans areas covering investments, pensions, protection and inheritance tax planning, as well as mortgages.
