ORGANISERS

Asian Jewish Business Network

We are SPRING AD CONSULTANCY, bringing to you the AJBN, the only network of its kind promoting business ties between the two communities in the UK. Our mission is to create a collaborative environment where Professional leaders and leading business figures from various sectors, including Finance, Property, Legal, Banking, Bridging Tech, Marketing and others, can share best practices and drive growth.

"It's not just about the business you get, it's about the relationships you win."

Great Britain-Cyprus Business Association

The Great Britain – Cyprus Business Association was formed from ideas that were cultivated during conferences that were organised by us, which was established to bring Cypriot enterprise to Great Britain and promote investment in Cyprus. We have organised events at London and Limassol venues where prominent guests from Cyprus and the UK were invited as speakers and panellists to discuss and debate the benefits of the Cyprus and UK economy and their investment potential.

"Unity is strength...when there is teamwork and collaboration, wonderful things can be achieved."
